Not only that, she’s also running a bake sale, learning the secrets of heavy metal therapy, encountering some seriously smelly feet, defending the rights of pygmy goats, and bodyguarding Noel from unwanted advances. In this companion novel to The Boyfriend List and The Boy Book, Ruby struggles to secure some sort of mental health, to understand what constitutes a real friendship, and to find true love—if such a thing exists.

Advanced Genetic Genealogy: Techniques and Case Studies is a textbook for an advanced DNA course for genealogists. It takes those with an intermediate-level understanding of genetic genealogy to the next level. Case studies demonstrate how to analyze the DNA test results, correlate with documentary evidence, and write about findings.
